Photographs

Photographs are taken from time to time at U3A events. These may appear in the U3A or Third Age Matters newsletter, website or Facebook pages. If members do not want to be in these photos, it is their responsibility to remove themselves before they are taken.

Help Needed – We need help to set up, and replace afterwards, chairs and tables for our monthly meetings. If you can offer your help, it would be appreciated. Please see Jean if you can help.

Committee Changes – With the committee requiring a Business Secretary it was decided to cover the post internally until the April AGM. Steve Shaw will take on the role and the Events Co-ordinator will now be David Cutts. We hope you will support them during this time.

RESPECT

Thank you for your support last month- the meeting had very little talking during presentations and phones were generally switched off - it was so much better and long may it continue.

Book Group

The Book Group is no longer viable because of the very low numbers of attenders. I am very sorry, I didn't want it to come to this, but I don't think there is any realistic option. I would be willing to re-start it, in the future, if there are enough committed members. Many thanks to all those who have given their support in the past. We have had some happy afternoons and it has been interesting and informative.

With my very best wishes, Elaine
