Issue No.21 Post Pandemic Newsletter February 2024

Hi everyone and welcome to the February 2024 edition of the u3a Sutton Bridge Newsletter.

In the bleak midwinter, frosty wind made moan, Earth stood hard as iron, water like a stone; Snow had fallen, snow on snow, snow on snow, in the bleak midwinter, long ago.

Back on October 3rd 2023 at our General Meeting we had a presentation on Parkinson's Disease by Sandra from Eye Guide MC here in Long Sutton.

After that meeting our Speaker Secretary, Jim Stalley, passed details of Eye Guide MC to his niece, Carol, who suffers from Parkinson's. Carol made an appointment with Eye Guide MC and I leave you to read below the result of that appointment.

Hi Jim

Mum said you want me to write a report about the eye guide for your u3a meeting. I'm not sure how you

want it but I've written something so I hope it is ok.

After Sandra came to the u3a meeting as a guest speaker about her invention of the eye guide, a device to help those with Parkinson's Disease, my uncle Jim told me about this meeting as I also have Parkinson's Disease.

I was interested and came to Long Sutton for a consultation which was very thorough and I had an eye guide fitted for a free two week trial. It was fitted on my right side as this was the side that showed the most benefit (it didn't work too well on the left side). Within a few seconds my tremor decreased significantly, the fixed expression on my face lessened and I was able to smile without it looking like a grimace and the rigidity in my arms lessened especially on the right side - amazing.

It is such a relief to get some respite from the constant tremor. I tried it for 2 weeks and was happy with the results. It is not a cure but rather an aid to help reduce the symptoms. It does not work so well if I am tired or stressed but it has been very beneficial to me so far.

I decided to keep the eye guide after the trial and have bought it. I wear it 24/7 only taking it off to wash my hair / bath etc. It is very discreet to wear and people don't notice it under my glasses.

Parkinson's is a challenging condition and wearing this device has helped to give me an improved quality of

I don't really understand exactly how it works, which is something that Lincoln University is researching at the moment, but the fact that it does help is enough for me and I hope it continues to benefit me as the disease progresses.

So without that talk at the u3a meeting I would have never heard about the eye guide so I am grateful to my uncle for passing the information on.

Hope that is ok. Hope you are well. Carol x

Ted Atkinson

As you know sadly we lost our dear friend and fellow member, Ted, just before Christmas.

Mandy, Ted's daughter, has let me know that Ted's Funeral will take place at St Nicholas Church, Lutton, at 2.00pm on Monday, February 5th. And that anyone who would like to attend will be more than welcome. Mandy sent me the following message:-

"Mum said to let you know that nobody should wear a suit as dad hated them. She's worrying about it. Mandy xxx"

Ted was the Leader of the Archery Group; the group members, past and present, who are able to will be attending.

Tea 4 Tarts

Today, January 10th, saw our first meeting of 2024.

We enjoyed our tea/coffee and delicious cakes/scones at Gatsby Tea Rooms in Long Sutton with some enlightening conversations with loads of areas covered.

SWIG 1 Group Thursday December 16th 2023

Firstly, a BIG thank you to Fay for her usual inimitable hosting. It was a lovely night; not forgetting the wines which each member brought of their own choice.

The first wine we had was a very nice Valle de Casablanca, Chiliean Sauvignon Blanc from Sainsbury's at £7.25. This scored a resounding 8 out of 10. It was an excellent start.

Next came a Memoro Piccine from Italy which was a delicious blended red wine. This also scored 8 out of 10 and confirmed that the wines of the night were all above average. !! This was £7.75 from Tesco and had been awarded a Gold label in 2019.

Our next red wine was a 2019 Lussac Saint Emillon from Asda. Always a favourite. Priced at £7.50 this delicious wine did not disappoint and scored another 8 out of 10.

Our final wine, a Beaujolais from France. Bought from the Wine Society at £15, this very nice Fleurie gave us a fitting end to our evening, scoring a 9 out of 10!!

We enjoyed great cheese and biscuits and a trifle from our leader. We also had our secret Santa and finished off the evening tasting Jim and Frank's plum Brandy liqueur. !!!

Just remains for me to wish everyone A Happy New Year and I look forward to our next meeting on the 26th January at Paul's Man Shed. Which should be re-named The Swig Inn.

Cheers

Beer, Wine & Bus Pass Group

The January 26th. adventure took us to The Red Lion Pub in Holbeach via the famous 505 Bus, where Ben and Alex, the co-hosts there, made all 26 of us feel very welcome.

The Beer, Wine and Bus Pass Group meets on the last Friday of every month at a pub of my choosing (though I am always receptive to suggestions from within the group) provided that it is on the 505 Bus route.

There is no compulsion to drink alcohol, we have several members who are very happy to have tea/coffee or a soft drink, we are there together for each other's company, and nobody has to buy "a round", we all buy our own drinks and snacks etc.

Our next outing will be on February 23rd., the destination is not decided yet but I shall work on that in the coming days. If you are not a group member yet it is never too late, we can always fit you in;)! Just contact me and I'll make sure that you know where you need to get to.

Best wishes

Chris Livesey, BW&BP Group Leader

The Photography Group

At our January meeting we were fortunate to receive a presentation from Tony Taylor, Chairman of Pinchbeck Photographic Group, entitled 'To the Moon and Back'.

This was a very interesting and informative talk on what is quite a difficult subject to take a successful image. However Tony explained the details of composition as to whether the subject was simply the moon or part of a story with the moon in the image, the camera settings that should be used taking account of the brightness, the speed the moon and earth move together with the planning of the shoot and equipment required.

This is the first time the group has had the benefit of a guest speaker and it is expected that there will be further opportunities for such a meeting.

If you are interested in joining the Photography Group please do let me know and even if you only have a camera on your 'phone you will be very welcome.

History Group

History Group news!

Our first meeting of 2024 was a lovely friendly get together on 22nd January.

We welcomed Graham and Tony, two local guys who jogged our memories about the changes that have occurred over the past 60 odd years in Long Sutton and Sutton Bridge!

To keep the brains buzzin' we had a quiz about the 1960's that kept us talking and reaching into the far recesses of our memories for answers! Big 'hurrah' to the winning team, a score of 29 out of 39 ... with two tables very close behind with an impressive 26 points each!

We were sad to say cheerio to Barbara, in her capacity of half of our excellent refreshment crew, working alongside Anne, but to kick off 2024 Monica has joined forces with Anne, so a big thank you and hello to Monica!

Meeting for February will be on Monday 26th February at the Market House 10.30 – 12.30

Where we will be joined by Tim Machin from our local Long Sutton District Society to give a talk on Long Sutton Market Place.

Meeting for March will be on Monday 25th March at the Market House 10.30 – 12.30

Where we will be joined by Ray Howard telling us about the Formation of the Modern Police Service.

Meeting for April will be on Monday 22nd April at the Market House 10.30-12.30

And we will be joined by Frank Heinrich-Tiller telling us all about the history of Lloyds of London.

No meeting for May 27th as it is a Bank Holiday

But we will be back again in June and we have lots of interesting ideas and thoughts to add to the mix that is our History Group and could be your History Group too!

If you would like to join the History Group please let one of our group know if you are at the next General Meeting on February 6th or simply come along to the Market House at the next, or any of the above dates, and we can guarantee you a warm welcome.
