

Interest groups and courses

Policy for non-members of Thanet u3a

Only paid-up members of Thanet u3a should take part in our interest groups and courses *unless*:

* a non-member is trying out an interest group with a view to joining Thanet u3a. They may attend one session of one group. They must then decide whether they want to become a member.

* an individual carer is accompanying a member. (Paid carers are not covered by our member-to - member u3a insurance, they should be covered by their own or their company's insurance).

* at the leader's discretion, a member of another u3a not present physically nor via video link shares ideas/work e.g. by email or in written form.

* a non-member is invited, usually on a one-off basis, to speak to a group.

* a member of another u3a is running a course for us or we are taking part in a joint activity with another u3a.
