

### **Nominations to the Committee**

All members of Torfaen u3a committee will be due for re-election at our next AGM. Our constitution allows us to elect the following:

- 5 officers (Chair, Vice Chair, Treasurer, Business Secretary, and Committee Secretary)
- Up to 7 other committee members

Please note that the constitution does not allow Anthea Wellington, who has been serving as Chair to be nominated in that position. It does not, however, prevent her from being nominated to any other committee position. There are **no** restrictions on the nomination of any other of the current committee members. Nomination forms will be included in each newsletter up to and including that produced in the month preceding the AGM.

**NOTE: It is necessary to get the agreement and signature of anyone that you may wish to nominate.**
