Please return to Jane Whitehead, programme@u3asciencenetwork.uk 07906 543847 and I shall acknowledge receipt. Your offer **will** go into the provisional programme. (See * below).

For 2019 and future years, we are planning to elicit presentations for the programme early so that a flavour of topics on offer can be placed on the website when bookings open.

*Whilst we hope to include every presentation offered, there may be some instances when this may not be possible or a reduced time slot may be offered. (There may be a lot of offers on the same subject or more offers than the programme will allow). If this affects your presentation I will let you know as soon as possible.
