

It's Beginning to Look like Christmas

1. It's beginning to look a lot like Christmas, ev'rywhere you go,
take a look in the five and ten, glistening once again
with candy canes and silver lanes aglow.
It's beginning to look a lot like Christmas, toys in ev'ry store,
but the prettiest sight to see is the holly that will be
on your own front door.

A pair of hop along boots, and a pistol that shoots,
is the wish of Barney and Ben,
dolls that will talk and will go for a walk,
is the hope of Janice and Jen.
And Mom and Dad can hardly wait for school to start again.

(orig. moves down half a note here)

2. It's beginning to look a lot like Christmas, ev'rywhere you go,
there's a tree In the Grand Hotel, one in the park as well,
the sturdy kind that doesn't mind the snow.
It's beginning to look a lot like Christmas, soon the bells will start,
and the thing that will make them ring is the carol that you sing
right within your heart.

(orig. returns to old key)
