

Only you (1982)

1. Looking from a window above is like a story of love,

can you hear me?

Came back only yesterday we're moving further away,

want you near me.

All I needed was the love you gave, all I needed for another day,
and all I ever knew, only you.

2. Sometimes when I think of her name, when it's only a game,

and I need you.

Listen to the words that you say, it's getting harder to stay,

when I see you. + CHORUS

3. This is gonna take a long time, and I wonder what's mine,

can't take no more.

Wonder if you'll understand, it's just the touch of your hand,

behind closed door. + CHORUS + G.....
