

# Penny Arcade

Intro: **G C G C**

**C** **F**  
A light shone in the night somewhere ahead  
**D7** **G**  
Blue turned into green, then it was red.  
**C** **F**  
And, stirring the night, loud music played  
**D7** **G F Em G**  
The light I saw in the night was a penny arcade.

## Chorus:

**C**  
"Step up and play", each machine seemed to say  
**G**  
as I walked round and round the penny arcade.  
**G7**  
"Just ring the bell on the big bagatelle  
**C**  
and you'll make all the coloured lights cascade".  
**F** **C**  
And music played in the penny arcade.  
**F** **G**  
Yes, it played and it played, played all the time  
**C** **F** **C**  
"Roll up and spend your last dime!"

**F**  
At first I thought it a dream that I was in.  
**D7** **G**  
Lost, lost in a sea of glass and tin.  
**C** **F**  
But no, so dipping my hand in the back of my jeans,  
**D7** **G F Em G**  
I grabbed a handful of coins to feed the machines.
