

April 2023

Apologies, in the last Group Newsletter I gave the incorrect e-mail address for Anne Neuff, the contact for Croquet. It should have been annieneuff@gmail.com

The monthly Coffee/Ideas mornings at the Waterside pub have been suspended due to lack of interest (no-one turning up for 2 months).

To avoid offending some organisations, it has been decided not to publicise any events outside of Ware u3a, so we are at least seen to be consistent. This includes e-mail, newsletters and Facebook. We will continue to inform members of any beneficial services that we become aware of.

News of local events can be found on the Ware Town Council website, Southern Maltings website and if you are registered with OWL (Neighbourhood Watch), they produce a diary of local events.

There is a brilliant source of interesting talks on Zoom on the national u3a website. These can be found at <https://www.u3a.org.uk/events/educational-events>.

Alternatively go onto the Ware u3a website and click on u3a, at the right hand end of the header on the homepage.

Don't forget to have a look.
