

Privacy Policy

Watford Park U3A (hereinafter 'the U3A') treats your privacy rights seriously. This privacy policy sets out how we will deal with your 'personal information', that is, information that could identify, or is related to the identity of, an individual.

1.0 What personal information do we collect?

When you express an interest in becoming a member of the U3A you will be asked to provide certain information. This includes:

- Full Name.
- Home address.
- Email address.
- Telephone numbers.
- Eligibility for Gift Aid

2.0 How do we collect this personal information?

All the information collected is obtained directly from you. This is usually at the point of your initial registration and/or membership renewal. The information will be collected via membership forms. At the point that you provide your personal information for membership purposes, we will also request that you provide consent for us to store and use your data. Your consent is required in order to establish our compliance with data protection legislation.

3.0 How do we use your personal information?

We use your personal information:

- To provide our U3A activities and services to you.
- For administration, planning and management of our U3A.
- To communicate with you about your group activities.
- To monitor, develop and improve the provision of our U3A activities.
- To obtain reimbursement from HMRC for gift aid contributions
- To organise subscriptions to the Third Age Trust publications

We'll send you messages by email, other digital methods, telephone and post to advise you of U3A activities.

4.0 Who do we share your personal information with?

We may disclose information about you, including your personal information:

- Internally - to Executive Committee members and Study Group Leaders (SGLs) – as required to facilitate your participation in our U3A activities.
- Externally – where we use an external membership management system and with your consent for products or services such as direct mailing for the Trust magazines (*Third Age Matters* and *Sources*). Where such systems are used, the committee has reviewed the Terms and Conditions of each supplier and judged that their digital and physical systems and procedures are secure.
- If we have a statutory duty to disclose it for other legal and regulatory reasons.
- We also supply your details to HMRC for gift aid purposes.

Where we need to share your information outside of the U3A we will seek your permission and inform you as to who the information will be shared with and for what purpose.

Privacy Policy

5.0 How long do we keep your personal information?

We need to keep your information so that we can provide our services to you. In most instances information about your membership will not be stored for longer than 14 months from the date consent is given. This allows time for late renewals and informing Study Group Leaders of members who do not re-join. The exceptions to this are instances where there may be legal or insurance circumstances that require information to be held for longer whilst these are investigated or resolved. Where this is the case then the member/s will be informed as to how long the information will be held for and when it is deleted.

6.0 How your information can be updated or corrected

To ensure the information we hold is accurate and up to date, members need to inform the U3A of changes to their personal information. You can do this by contacting the Membership Secretary at any time:

Email: membership.wpu3a@gmail.com.

On an annual basis you will have the opportunity to update your information, as required, via the membership renewal form. Should you wish to view the information that the U3A holds on you, you can make this request by contacting the Membership Secretary – as detailed above. There may be certain circumstances where we are not able to comply with this request. This would include where the information may contain references to other individuals or for legal, investigative or security reasons. Otherwise we will usually respond within 30 days of the request being made.

7.0 How do we store your personal information?

Your membership information is held in a spreadsheet and accessed by certain Executive Committee members; namely the Membership Secretary, Study Group Coordinator and Chairman. The spreadsheet is password protected, stored and backed up in the Cloud. If other members of the Executive Committee or SGLs require members' data, those data will be supplied to them by one of those Executive Committee Members noted above. The data supplied will be the minimum required for the task in hand.

8.0 Availability and changes to this policy

This policy is available on the Watford Park U3A website. This policy may change from time to time. If we make any material changes we will make members aware of this via the newsletter and the monthly members' meetings. The Privacy Policy should be read in conjunction with the Data Protection Policy. Both documents are available on the website at <https://u3asites.org.uk/watfordpark>
