

WENDOVER U3A ANNUAL SUBSCRIPTION

The annual subscription of £15.00 per person is due on 1 October.

The simplest way to pay your subscription, for you and for the Treasurer, is to do so by standing order, an instruction by you to your bank to make a regular payment. It continues to be paid until you stop or alter it.

It is easier for you because you do not have to remember to take your cheque book to a meeting. It saves the U3A effort as we do not have to collect the cheques, sort them out and pay them into the bank.

How to pay by standing order.

1. If you have internet banking, go online to your bank, click on "standing orders" and fill in the following information.

Standing order to:	Lloyds Bank
Sort code:	30-90-38
Account number:	02693251
Reference:	A N Other (put your name here)
Regular amount:	£15.00 (or £30 for 2 people)
Date of first payment:	1 st October 2018
Frequency:	Yearly
Expiry date:	Until further notice

2. If you do not have internet banking you can simply call your bank, ask them to send you a standing order request form, or visit your bank and either ask them to set up a standing order for you, or collect a form to fill in, sign and return to the bank. This will require you to provide the same information as shown above.

I must make it clear that if you decide not to pay by standing order then you can of course continue to pay by cheque. But please remember to pay in early October each year.

It is most important that the subscription is paid, by either method, promptly in October.

Your Committee needs to know who has and has not rejoined in order to fill the vacant places by admitting new members from the waiting list.
