Membership Renewals

Well after the usual huge effort, the Membership Renewal season is just about over for another year! Huge thanks to all those of you who have renewed for another year and given the committee your support.

We do hope that as we move forward to hopefully better times, we can relax and enjoy each other's company and the many activities that Group Leaders work so hard to provide.

If you feel you have renewed but have not received your new Membership Card, please contact me and I will sort it out. John Tidmarsh, Membership Secretary

Bromley House Library Tour

WOW. What a wonderful way to spend a couple of hours in Nottingham. The whole tour was exceptional from start to finish. We arrived at 2.30pm and were invited in for coffee, tea, juice and biscuits whilst being given a short history of the Library.

We then split into 2 groups and were taken into every room, nook and cranny from top to bottom of the building. Every topic imaginable was covered by both the Guide and the books. We were never rushed and all questions were answered.

Our excellent tour ended with a walk in the secluded garden - which is to be improved later in the year.

18 u3a members enjoyed this visit, mainly from the Beeston u3a as there seemed to be little interest from our West Bridgford members. Which is a shame. **Louise**

Hiking Group

On a beautiful spring day, fifteen members enjoyed a 6 mile walk to Bennerley Viaduct, an extraordinary Grade II listed monument. It is one of only two surviving wrought iron railway viaducts in England and is a stunning example of the genius of British engineering.

We started our walk from Awsworth, across fields to Babbington, over to Cossall, where D H Lawrence's fiancée lived, we then walked along the Nottingham canal towpath before crossing the railway line to join the Erewash Canal towpath.

Completed in 1878, the viaduct was built to carry the Great Northern Railway's line over the Erewash Valley. A familiar sight on the viaduct were steam locomotives hauling coal wagons from the nearby collieries. The line also enabled convenient connections to Nottingham and Derby that meant that Skegness became the locals' seaside resort, reachable on day trips from Ilkeston.

The Viaduct spans the Erewash Valley for 440 metres and stands 18 metres above the valley floor. D H Lawrence was born in Eastwood and the countryside of the Erewash Valley is the setting for many of his novels, where he frequently refers to the viaduct. The view from the top of the viaduct affords excellent views of the countryside which inspired Lawrence.

In 1948 the railways were nationalised and in 1963 following a report by Dr Beeching the government made plans to close thousands of miles of railway lines and over 2000 stations. The last goods train to cross the viaduct was in 1968. In the 1960s most of the nation's wrought iron viaducts were demolished, however Bennerley was saved, due to the determination of the local community. The vision was to repurpose the viaduct as a walking trail and cycleway. After years of negotiations, planning permission was granted and the viaduct finally re-opened in 2022.

Pianist Wanted

A pianist is wanted for u3a singing For Fun group every 4th Friday of the month.

We have an excellent pianist for the second Friday of every month and despite trying alternate approaches to getting the music to the singers, we really need another pianist.

If anyone knows anyone who might be interested, or would themselves like to join our happy band, please contact **Sue** by email on sue456bailey@gmail.com

Mah Jong and Rummikub groups

We have had rather an upheaval recently and have decided that we will have to give up our leadership of the Mah Jong and Rummikub groups forthwith. The groups have been informed of this and a new leader for Mah Jong has been found but not for Rummikub.

Rummikub has therefore ceased from Friday 6 May. If anyone is able to help run this group please contact Yvonne on wbu3asec@gmail.com or **07746668469**.

Summer Holiday Club at West Bridgford u3a

As some of you may know, prior to covid we used to run an activity programme each Wednesday in August; the activities varied, including crafting, talks, cooking – anything really which was of interest. This was a valuable opportunity for members who were not away on holiday that month, and who wanted the company of others.

Irene organised all this, but is not able to do so this year, so we are looking for volunteers to help get this going again. We would give support and help, and do not expect the whole load to fall on just one person's shoulders. Helping to run a group can be good fun, and you often make new friends by doing so, so please consider this!

If you think you may be interested we need to get on with it, so in the first instance drop Yvonne an email on wbu3asec@gmail.com or speak to any committee member. Just be aware as we approach holiday season there may be some delays in replies.

Loughborough University Study

Participants are needed for a new Loughborough University study that will look at how exercise may help prevent conditions such as osteoporosis and osteoarthritis.

It will investigate the possible benefits of resistance exercise on bone and joint health and physical function, and for this the team needs to recruit healthy women aged 50–70 who are willing to take up regular exercise.

If you are interested in joining the study and would like some additional information, please get in touch with Ogulcan Caliskan (o.caliskan@lboro.ac.uk) or Dr Elisa Marques (e.marques@lboro.ac.uk), phone 07543302354 or see the study webpage www.lboro.ac.uk/reproof.

Local History

The Local History Group had a very successful and informative guided tour of the Watson Fothergill architecture in Nottingham city centre on 13 April, looking at several of the amazing buildings he designed, ending up at his 'piece de resistance', the office he built on George Street, for himself, as an advertisement of his skill. We managed to avoid the April showers for a couple of hours but were very happy to retire for sustenance at the Broadway Cafe.

Future events include an Illustrated talk at Trent Bridge on **13 July** by the Heritage Manager, Steve Lemottee, entitled 'It's not just cricket' about the various activities that have happened there and the people involved

There is also a trip to Thrumpton Hall on **3 August** with a talk and guided tour from the owner, renowned local author Miranda Seymour.

On **23 November**, we hope to have the Limelight Tour of the Theatre Royal and Royal Concert Hall, going behind the curtain, learning how the theatre works and the venue's fascinating heritage.

If you're interested in joining in with any of these activities, please get in touch with **Yvonne** on y.haynes@hotmail.co.uk or **Averil** on averil.hancox@ntlworld.com

U3a 40th Anniversary

The 40th anniversary of the establishment of the u3a organisation falls this September. U3as across the country are planning on marking the occasion with various events and activities. You will be receiving information on West Bridgford's plans but firstly we are seeking volunteers and interested folk to take part in the event to be held in the centre of Nottingham. This celebration is for all the u3as in Notts, not just West Bridgford.

Olympic style beacons will be passed from u3a to u3a ending in the Market Square, Nottingham, on September 24th. Individual u3as can decide how they use/transport the beacon.

Permission for the event in the square still needs council confirmation, but there are plans for a flash mob singing and dancing piece, a steel band, cream teas, cycle rides etc.

Would you like to be involved? If you are interested please contact Paco on wbu3achair@gmail.com to find out more.

Peak District Walk – Hayfield “Mass Trespass” Walk – April 2022

To commemorate the Kinder Mass Trespass, that took place 90 years ago this month, the Peak District Walking Group followed in the footsteps of the trespassers, by walking from Hayfield, via Bowden Bridge Quarry (where the 400 trespassers had assembled) to William Clough. It was on this part of the moorland, whilst ascending up & onto Kinder Scout plateau, that a confrontation between the trespassers & the Duke of Devonshire’s gamekeepers occurred.

Six years earlier, Hayfield allegedly also played a part in the 11 day disappearance of Agatha Christie. She was a regular visitor to the area – *local place names* contributing to her crime literature, notably *Miss Marple*. She had friends who lived at a farm on the far side of the reservoir – just visible in the photograph below – where she reputedly hid herself away in 1926, before moving onto Harrogate.

Agatha Christie’s famous novel “And Then There Were None” bears an uncanny resemblance to what occurred in the 24 hours before our walk, when walker numbers haemorrhaged from twelve to four, due to a highly unusual combination of circumstances. Unlike the novel – spoiler alert! – none of the eight who dropped out, later arrived in Hayfield unexpectedly!

Hayfield is now a picturesque village, with links to “Coronation Street”, the BBC 2010’s drama – “The Village” & “Dad’s Army”. Tony Warren – the soap’s creator, “Elsie Tanner” & “Captain Mainwaring” all lived here. A terraced house, near our lunch cafe, brandishes a “Captain Mainwaring” plaque.

It will be apparent from the remaining photograph above, that after ascending part way up William Clough, one of our illustrious band of walkers, managed to evade the attention of any gamekeepers and so, unlike Benny Rothman and five others, she avoided spending two to six months in jail!

In 2007, Lord Roy Hattersley described the Kinder Mass Trespass as the most successful direct action in British History, contributing in no small way to the establishment of National Parks, of which the Peak District was the first, and securing rights of access over open country and common land.

Guitar Strummers Fun Sing-around

Is your guitar gathering dust? Do you play guitar on your own, but wish you could strum along within a small group? Want to play guitar and socialise with like-minded musicians? Then this could be the answer!

Guitar Strummers Fun Sing-around is for U3A members who are reasonably competent at a range of Chord-based musical/pop/rock/folk/soul songs, and would like to perform with others.

The Group was formed during Covid and started off in a member's garden, then into a Garden Room, before finding our current modern and pleasant venue.

Currently, we are a group of 8 members, of mixed abilities, with the common aim of playing guitar together for fun and to extend our range of songs and playing proficiency.

Mainly, we perform together, with occasional solos. Song choices are made by group members.

Bring guitar, portable music stand and your own refreshments.

Venue: St Wilfrid's Church, Benjamin Carter Back Hall, Church Drive, Wilford, NG11 7AJ.

Meeting: Alternate Thursdays, 11.00am – 1.00pm

Contact:

Gordon – Mob: 0779 693 4365
