

'Year of *Innovation, Architecture and Design*'.

Things that are 'original'!

We should look at what is 'new' within our area as well as what is 'new' only to our area.

### Housing

History of housing from roundhouses to the modern day (with examples from roundhouse outlines, cottar's houses, early crofthouses, improved crofthouses, early 20<sup>th</sup> century crofthouses, modern designs)
