

Bird Watching Network

This Network has been in existence since May 1999. It originally started with members from Wearside u3a, Whickham u3a, Newcastle u3a, Washington u3a and Ryton u3a.

Initially nature reserves were visited and then the idea

grew. Day trips and then weekends away were organised as well as holidays to Poland, Finland, Menorca, Morocco and Hungary using local guides. New members are urgently required, as the original members are now octogenarians.

If you are interested in joining the Network please contact Cecilia cecu3a@gmail.com and the information will be passed on to Colin Freeman one of the original members.
