

Do you need help staying safe on-line?

Do you worry about being scammed on-line?

Are you concerned about malware?

Are you confident that your password is secure?

Would you like *FREE* cyber security advice and support in your community?

Why not contact a **CyberGuardian** who has been trained by Northumbria University to help with cyber security and can provide one to one or group tuition.

There is more information on the U3A Whitley Bay Website @ <https://u3asites.org.uk/whitley-bay/events>
