

General Data Protection Regulations (GDPR) Consent Form for Taking and Displaying photograph

Photographs constitute personal data and therefore fall under the GDPR compliance. To be able to take and display photographs we need consent on each occasion. This form is to be used to gain the required consent. It is the responsibility of the person taking the photograph to gain consent and submit the form along with the photograph to the publisher. This also includes any group photographs.

By signing this form you are giving consent.

If you do not wish to be included in the photograph please step to one side before any photographs are taken so you are not included.

Photograph(s) taken on (date or ANY) at
(venue/event or ANY) by Group

Name PRINTED	Signature

Note : The word ANY can be entered into either date or venue, which makes the form valid for all photographs taken by that Group for the members listed.

Please submit this form (or a copy of this form) with any photographs to the publisher.
Without this form the photograph will not be published.
