

Chair's thanks and appreciation to all facilitators,

May I write as the 'chair' of our Wigtownshire u3a to commend ALL the facilitators for their continuing hard work managing their interest groups and providing written in-put to Fred Kluit for his publications regarding their latest information. The contributions that facilitators make are essential to the successful running of our Wigtownshire u3a and the committee wishes to convey the appreciation that is recognised.

Many thanks to all of you!

Celia Heller, Wigtownshire u3a chair and speaker organiser for 2024
