

u3a in Scotland

Scottish Charity SC 030370

Spring Event 18th March 2024 at 9.45 for 10.00am via Zoom.

Every u3a in Scotland is invited to our Spring Event. The programme is attached.

Please ensure that it is brought to the attention of every member of your u3a, not just the office bearers or committee members.

As we want as many u3as as possible to be represented at this event, it is being held on Zoom which avoids long travel and sometimes overnight accommodation. There is no restriction on the number of attendees from any u3a.

If you want to attend you just need to email the chairperson at the email address at the bottom of the page, with your name, the name of your u3a and the email address you wish the link sent to. As this event includes an SGM and there will be a vote, please, indicate if you are the voting delegate. All u3as have one vote, regardless of size.

If two or more people are using the same device, they do not both need to register but, please, do not pass the link on to anyone who hasn't registered.

The deadline date for registering is the14th March, and theZoom invitation will also be sent out on this date.

If there is anyone who would like to attend but is unsure how to use Zoom, please, contact, <u>u3ascotlandchairperson@gmail.com</u>. It is possible to join by telephone without an internet connection.
