

List of Potential Venues. Witney U3A Groups Meetings.

Interim Report.

September 15th 2021

Introduction.

Originally I thought I could prepare a sort of tick-box list, but my meetings were mainly short, often not with a decision-maker, plus not having a specific meeting format to discuss, elicited mainly top-line information. Some contacts have not yet emailed information as discussed.. Final report to be completed mid-October.
