

Witney u3a Bench

Do you recognise this?

It's the Witney u3a bench in the Woolgate Car Park in front of Next.

Pam Jones, Honorary President Witney u3a writes: 'We wanted to do something for our 25th anniversary in 2010. Witney u3a was set up in March 1985 and we wanted something in the town to

remind people who we are and also to give something to the town. If I remember correctly, we had a special celebration meeting and invited the Vice Chair of the u3a Trust to speak. She was Rosemary McCulloch, niece of Uncle Mac who was on Childrens' Hour on the radio many years ago and was an excellent speaker.'

As the photos show, the bench was in need of some TLC. Many thanks to Frances and Peter B. who undertook to renovate and restore it before the winter sets in. In the process, they drew many encouraging comments from passers by! .We are very grateful to them both. Next time you're in Woolgate, take time to rest on the bench and admire their handiwork.'
