

December 2017

Dear Member,

Venue for Monthly Speaker Meeting

As you know we have been fortunate to use the Enterprise Centre at the Marlborough School for our monthly speaker meetings for some time. Recent changes in the statutory responsibilities of safeguarding mean that the Marlborough School can no longer host our meetings during the school day.

The committee was aiming to explain this change at our December meeting, but with the poor weather, this meeting was unfortunately cancelled.

For the speaker meeting on 9 January 2018, we have booked the Woodstock Community Centre at 32 New Road, Woodstock, OX20 1PB, and our speaker, Peter Crumpton, will be talking about Jazz. The meeting will start at 2pm with signing in as usual from about 1.45pm. After the talk, we plan to offer refreshments, and will need volunteers to help with this.

We hope to use the Community Centre in the future, and are happy to receive your comments on this venue.

Although this is a significant change, we look forward to seeing you at the Community Centre in the New Year.

Best wishes

Pam Rook

Chairperson (on behalf of the Committee)
