My Christmas Wish To YOU ALL

If I could wish a wish for you,
it would be for peace, faith, and happiness
not only at Christmas,
but for the whole year through!

I wish that there always be food on your table.
That you always give to those less fortunate.
May you always take time to share,
and thank those who have blessed you.

I wish for time, so you may reflect
on the blessings that you have,
and that you express your love
to those who are dear to you.

May you never feel lonely,
because there are those who care.
That you realise: you are special,
you are unique, you make a difference,
not only at Christmas, but all year!

I wish for your thoughts to be positive ones,
that you never quit, that you never give up,
and that you continue to learn.

I wish for love, and peace to be yours always

**Not my words but a hope for
a better 2021 for us all**
