

## FREE ONLINE TALKS

A message from the CEO of Mirthy:

'I'm getting in touch from Mirthy. We broadcast educational and entertaining online talks by the best public speakers for U3A Clubs and members. Now working with over 100 clubs monthly and delivering talks to over 10,000 retirees regularly including a national partnership with McCarthy & Stone.

**Our talks are viewed from the comfort and safety of your member's own home.**

Mirthy broadcasts a FREE talk every Thursday which is open to your members to join (last week we had over 1,000 join us from across the country!). This is a great way for us to raise awareness of our speakers and talks.

You may feel this is a good benefit to share with your members to keep them socially active throughout lockdown. Feel free to share this link with members so they can register for our free talks - <https://mirthy.co.uk/talks/> - there will be a live Q&A with the speaker and a chance to interact with other attendees by typing comments in a chat box.

If you have any questions please don't hesitate to ask.

Many thanks  
Alex Ramamurthy  
CEO, Mirthy'

Please be aware that while we've done as much as we can to ensure these talks are suitable, they're provided by an outside body and we can't be held responsible should that prove not to be the case.
